

BICKINGTON PARISH COUNCIL

Coronavirus: A request for community volunteers

As the current public health situation evolves it is becoming clear that many members of our community will need to self-isolate and require some level of support. Bickington Parish Council is seeking to create a list of volunteers so that we can provide the support needed by individuals. The sort of help that will be needed is delivering shopping, collecting and delivering prescriptions, dog walking, providing companionship by 'phone and a whole range of things that we haven't thought of.

If you would like to volunteer to join our community volunteers, please complete this form and leave at the village hall or email tom@meek.co.uk

Name:	
Age:	
When are you available to help (days, evenings, weekends)	
Telephone number:	
Email address:	
Do you have access to a vehicle?	Yes/No
Are you DBS checked?	
Do you have particular skills to offer?	

What sorts of support would you be able to provide?
